

## Parish Picture Album

As part of the Year of Celebration for our 50<sup>th</sup> Anniversary, we would like to do a Parish Picture Album.

We are not going to hire a Photographer this time. Instead we are going to do individual or family pictures done on your phones and emailed to us for the album. Pretty much everyone has one of the new phones that takes pictures and they do a great job. We only need a picture from the shoulders up (a portrait picture). If you or your family or friends cannot do this, just come over to the Church and any employee will do this for you. Along with the picture we will need the name of each person in the picture. We will print it as you give it to us. So make sure the names are spelled correctly. Also include your phone number so we can contact you if needed. It will not be printed in the album.

Send the pictures and names to:

[arivette@diocesetucson.org](mailto:arivette@diocesetucson.org).

Any questions call Milly at the Parish Office:

**520-885-5908**

**We are hoping everyone will participate.**
